

Global leaders in flexible couplings,
drainage & plumbing systems

PVC Plumbing Couplings

Black

Made from a durable, high quality thermoplastic compound, Flexseal PVC Plumbing Couplings have the dimensional flexibility that ensures a leakproof seal on any pipe materials including plastics, cast iron, asbestos cement, clay, concrete, steel and fibreglass.

The range includes couplings and adaptors from 23mm - 112mm, plus elbows, tees and end caps (see separate datasheet).

Product specification for Flexseal PVC Black Plumbing Coupling Range	
Product Code	See over
Description	Thermoplastic Black Plumbing Coupling
Size Range	23-112mm
Material	Flexible PVC (Polyvinylchloride)
Steel	1.4310 (301) Stainless Steel, except for couplings marked NEW (see over) - 1.4301 (304) Stainless Steel or 1.4401 (316) Stainless Steel (on request)
Pressure Rating	0.5bar, 7.25psi
Temperature Range	-34°C to 60°C
Tightening Torque	6Nm

Global leaders in flexible couplings,
drainage & plumbing systems

Benefits

- Quick, versatile and easy to use solution for many domestic drain, waste and vent plumbing problems
- Ideal for repairs
- Can be installed onto any pipe material
- No special tools required as the range can be installed with a screwdriver, nut driver or socket
- Provides a watertight seal

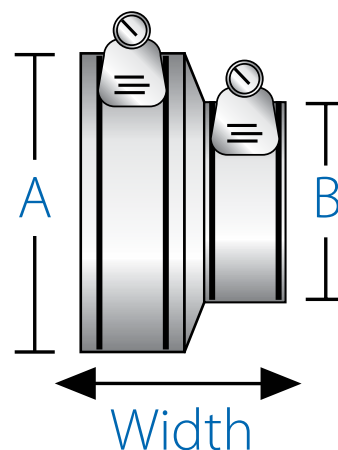

Product Range

Part No.		Size Range	Width (mm)
Black Straight Couplings			
027 - 027		27 - 23	60
035 - 035		35 - 28	60
E038 - 038BL	NEW	38 - 30	60
041 - 041		41 - 38	88
E042 - 042BL	NEW	39 - 31	86
E045 - 045BL	NEW	45 - 37	86
049 - 049		49 - 44	88
E050 - 050BL	NEW	48 - 40	86
E058 - 058BL	NEW	58 - 50	86
059 - 059		59 - 54	101
062 - 062		62 - 56	88
070 - 070		70 - 65	101
E085 - 085BL	NEW	85 - 75	100
086 - 086		86 - 80	101
E090 - 090BL	NEW	90 - 80	100
090 - 090		90 - 80	101
101 - 101		101 - 95	101

Part No.		Size Range A	Size Range B	Width (mm)
Black Adaptor Couplings				
038 - 032		38 - 30	32 - 28	57
048 - 038		48 - 43	38 - 32	57
049 - 041		49 - 44	41 - 38	88
E050 - 042BL	NEW	48 - 40	40 - 32	86
E058 - 045BL	NEW	58 - 50	45 - 37	86
059 - 048		59 - 54	48 - 44	101
060 - 034		60 - 53	34 - 29	57
060 - 038		60 - 53	38 - 32	57
061 - 047		61 - 56	47 - 44	88
070 - 060		70 - 65	60 - 57	101
084 - 060		84 - 79	60 - 56	101
086 - 047		86 - 80	47 - 44	101
101 - 089		101 - 95	89 - 85	101
111 - 049		111 - 104	49 - 44	101
E112 - 085BL	NEW	112 - 100	85 - 75	100

Applications

- Can be used to connect plain ended pipes
- Repair of existing pipe systems by replacing short sections of pipe
- Connects short and cut lengths of pipe
- An inexpensive option when a shielded coupling is not required

V001APR16
