## Dion Stealth Outdoor PIR Sensor with Override - Black

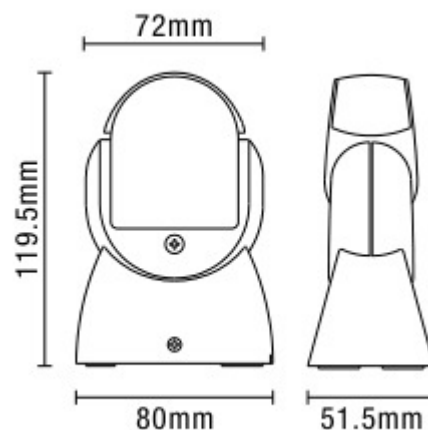

### ZN-33579-BLK

The Dion Stealth Outdoor PIR Sensor with Override in Black combines efficiency and security with a sleek, modern design. It offers customizable lighting control and flexibility with its override feature, enhancing both safety and convenience. The adjustable detection angle ensures optimal coverage, while the IP65 water resistance rating guarantees durability in all weather conditions. Its stylish black finish seamlessly blends into urban settings, making it a practical and attractive addition to your home.
