MONUMENT TOOLS

**Professional Quality Plumbing,
Roofing & Drainage Tools**

Manufacturing in Britain since 1932

About our brand

Monument Tools is an innovative, UK based, privately owned company which designs, manufactures and markets professional quality tools for plumbing, roofing and drainage under the Monument brand and via OEM.

The Monument brand is 108 years old and the company which is still managed by the Collier family continues to invest in the latest technology.

Excellence & Experience

Monument displays are designed to maximise the return per sq. metre of selling space; best selling products are merchandised to minimise wasted space.

Made in Britain

Monument Tools have been manufacturing quality plumbing, roofing and drainage tools in the UK since 1932. We continue to invest in the latest technologies and manufacturing techniques to ensure we can continue to offer our customers short set up and lead times, as well as innovative product development and unrivalled flexibility.
