

Flexible Pipe

CODE **GRPA**

FITS ALL VENTS
WITH Ø110 SPIGOT

DESCRIPTION:

GRPA Flexible Pipe is designed for coupling directly to Manthorpe's slate vent oval spigot, it can also be easily trimmed to fit other types of terminals with a 110mm diameter connection.

The flexible pipe can be used to couple to a 4" soil pipe or mechanical extraction equipment and is supplied with its own metal screw clamp for simple fixing.
