# BRICK COLLECTION

# YOUR BUILD, OUR PASSION

As one of the UK's leading suppliers of the finest handmade, extruded and pressed bricks, Imperial Bricks specialise in producing a growing range with a strong focus on regional variations, in imperial and metric sizes.

Using traditional manufacturing methods, our skilled brickmakers expertly reproduce brick colours and textures found across the UK over the past 500 years, making our bricks perfect for the restoration, renovation and conservation of period properties, whilst offering an authentic look for new build projects.

Our highly experienced team has over 150 years of brick expertise collectively and we are always happy to offer expert advice.

We can supply brick samples for your consideration, as well as offer a brick matching service and specialist conservation advice.

As a long term SEDEX member, integral to our business is the empowerment of sustainable and ethical supply chains.

**Our customers can be confident that Imperial Bricks' products are made ethically to the highest international standards.**

# CHESHIRE PRE WAR

Imperial size solid wirecut bricks, with an orange base colour and characterful pale banding throughout.

Code:	Size (mm):	Tolerance:	Pack Size:
WCCHESHPW/ HB/73	73 x 215 x 102.5	T1/R1	500

DUAL FACED

# WEATHERED CHESHIRE PRE WAR

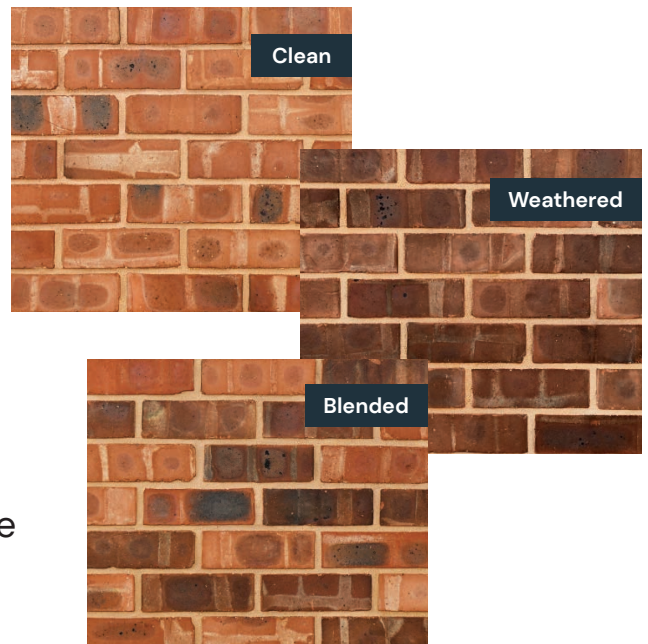

Dual faced, uniquely weathered bricks with characterful banding on the faces.

Code:	Size (mm):	Tolerance:	Pack Size:
WCCHESHPW/ HB/73/WEATH	73 x 215 x 102.5	T1/R1	500

## WHAT IS DUAL FACED?

Dual faced is a unique 3-in-1 design, where each brick has one tonally weathered face and header, and the reverse side is left 'clean' with no weathering.

This allows bricks to be laid on site using either face, allowing the choice of creating all plain, all weathered or a custom mix of the faces to create a unique blend.

## ORIGINAL GISCOL COMMON

Extruded bricks which replicate the old 'Giscol' bricks no longer manufactured. Featuring a red base colour, pale banding and a rough cast burnt appearance.

Code:	Size (mm):	Tolerance:	Pack Size:
WCGISCOL/ SOL/73	73 x 215 x 102.5	T1/R1	500

## WEATHERED SCOTCH PRE WAR

Weathered and aged 'Scotch Common' style bricks, which match the appearance of darker, more established buildings in the North.

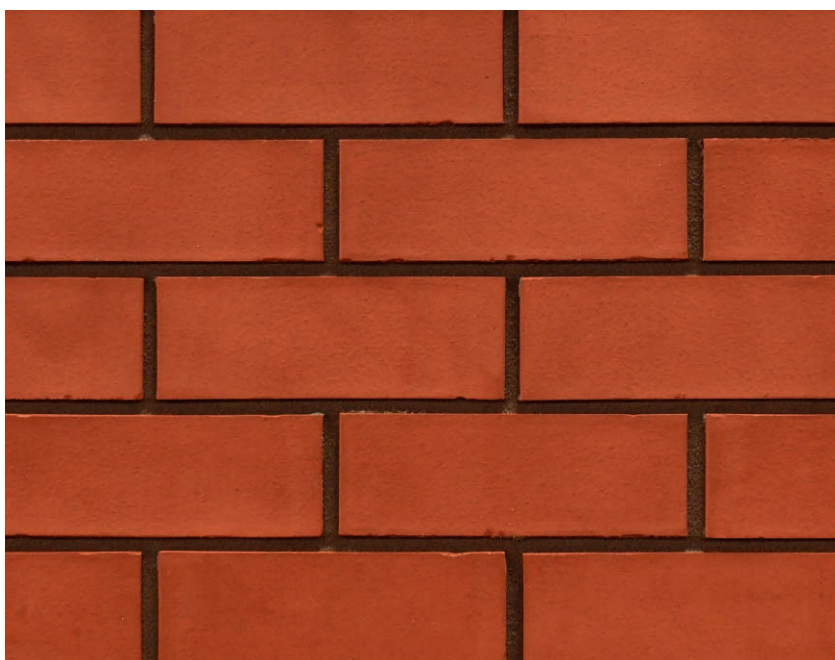

Code:	Size (mm):	Tolerance:	Pack Size:
WCSCOTCH/ WEATH/73	73 x 228 x 108	TM/RM	400

## ACCRINGTON SMOOTH RED

Red engineering quality bricks matched to the original Accrington stock.

Code:	Size (mm):	Tolerance:	Pack Size:
WCACCRED75	75 x 230 x 110	T2/R2	384

DUAL FACED

## WEATHERED PRE WAR COMMON

Traditional weathered and aged 'Pre War Common' style bricks. Featuring our unique, dual faced finish which offers the option to create unique blends.

Code:	Size (mm):	Tolerance:	Pack Size:
PRESSEDMUL/ DUAL/65	65 x 215 x 102.5	T2/R2	540

## OUTSIDE BLEND

Hydraulically pressed, orange to red colour hybrid sized bricks, with distinctive pale flashings and dark overburns on the faces.

Code:	Size (mm):	Tolerance:	Pack Size:
PRESSEDMUL/ 73	73 x 215 x 102.5	T2/R2	540

DUAL FACED

## WEATHERED OUTSIDE BLEND

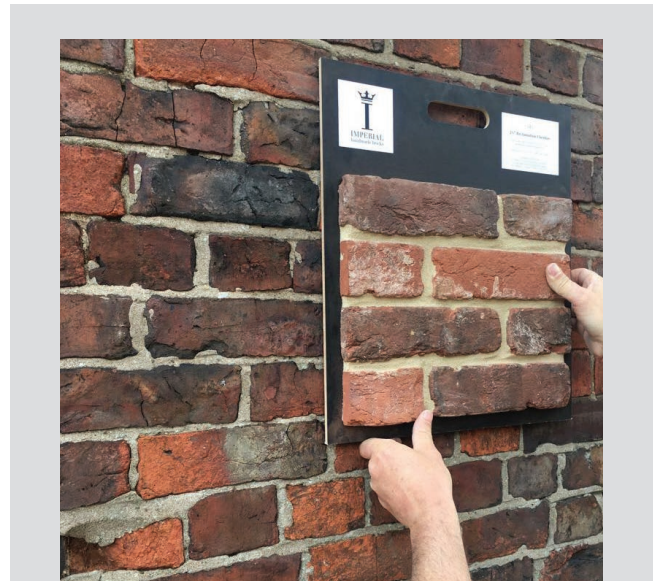

Weathered and aged version of our 'Outside Blend'. Supplied in a dual faced format which offers the flexibility to create custom blends on site.

Code:	Size (mm):	Tolerance:	Pack Size:
PRESSEDMUL/ 73/WEATH	73 x 215 x 102.5	T2/R2	540

# ADDITIONAL SERVICES

## BRICK MATCHING

Many older properties utilise bricks from redundant brickworks, this makes matching existing brickwork challenging. Our experienced team offer a highly personalised service to assist you with selecting the most suitable bricks for your building project.

## BESPOKE BLENDING & WEATHERING

Utilising the in-house processing and finishing facilities at our head office in Shropshire, we can create tailor-made solutions to satisfy even the most challenging projects. We can custom blend bricks from different ranges or add bespoke weathering for that perfect match.

## FREE SAMPLE SERVICE

Samples are available for our entire product range enabling you to assess brick colour, blend, size and texture. We recommend that samples are obtained prior to placing an order – contact your local builders merchant to request a sample.
