

10 litres CANISTER

10 litres of AdBlue® 4you available anytime

Description

GreenChem offers special AdBlue® canisters with an integrated spout with a capacity of 10 litres. This innovative spout will save you time and effort, thanks to its breathing pipe that help the product to flow out of the can easily.

Also, you do not need to look for the spout as it is always nicely and cleanly packed together with the canisters.
