**Description**

Calidad 20 Spanish Slate has a smooth, slightly textured appearance, with no visible pyrite. This slate, which is blue grey in colour, is very easy to grade and lay on the roof and is sourced directly from the quarry. This roofing slate is flat and even, meaning there is less sorting and grading required which will mean less work for the roofer and will save time.

**-This slate comes with a 100 year quarry backed guarantee-**

**CALIDAD 20**

- Water Absorption: W1**
