the professional's choice

Dear Customer

Welcome to Melcourt's 2019 catalogue which gives an overview of our unique, professional-quality, garden, landscape and play products offer. If you require further information, a personal visit or product samples, please call. Melcourt supply not only high quality products but also a support package to match.

We believe that this combination means your business will enjoy all the benefits of working with Melcourt for many years to come.

Yours faithfully

Andy Chalmers

Andy Chalmers, Managing Director

Five solid business reasons to choose Melcourt

Here's a summary of the real benefits that customers will enjoy when buying into the Melcourt offer:-

1 Supplier Credibility

Ours is a well respected and widely recognised national brand used by professionals for over 35 years

2 Product Benefits

Wide product offer including

topsoil blended loam

bark mulches

100% peat free composts

natural play surface products

decorative aggregates

All are BS EN, Soil Association and FSC compliant where possible

Many products are, uniquely, endorsed by the Royal Horticultural Society

100% availability, all year round, with national distribution

Prompt order delivery

3 Price Benefits

Simple, geographic price structure

Can make up order from any product combination to achieve best buying price

Melcourt products give great merchant margins particularly when adding in the above

4 Marketing and stockist support benefits

Melcourt employ a knowledgeable field sales team to work with and support builders' merchants stockists

Melcourt provide practical point of sale items together with consumer leaflets

We support our stockists at their 'Open Days' and with seasonal mail outs, etc

We attend and exhibit at many trade and key consumer events to raise the profile of Melcourt products and our unique stockist network

5 We work with you and don't compete for your customers

Melcourt doesn't have an e-shop and works with our stockists to build business together

We do not supply less than 20m³/6 pallets of product direct, but refer all smaller requirements to the local Melcourt stockist

When adding up all of the above real benefits enjoyed when stocking the Melcourt range, we believe that the Melcourt overall package is far, far better for your customers

Melcourt are approved supplier members to the following buying groups:-

H and B Group · Fortis Buying Group

· Combined Buying Association · National Buying Group

The Royal Horticultural Society endorsement of Melcourt bagged products is boosting sales – and those sales could be going through your checkout. There are no minimum independent standards for growing media and associated products. **Melcourt Industries Ltd are the only supplier of these kinds of products that fulfil the requirements of and are endorsed by the Royal Horticultural Society.**

The Melcourt product range

the professional's choice

Buying-in to the total Melcourt offer

Melcourt customers not only have access to our comprehensive range of professional garden, landscape and play products, but also plug in to a unique and valuable support programme including:-

- Knowledgeable, caring office and field technical support, including product training.
- Stockist exposure resulting from our own extensive marketing activities including our attendance at all major trade shows, your company details on our website, links to yours, and referred customer leads for quantities of up to approximately 20m³/6 pallets.

We don't have an e-shop: we work to support you and won't try to supply your customers direct.

Unique point of sale support material to boost sales
