

SAMAC

CATALOGUE 2018

SAMAC

Samac is a leading nails, screws and fixings distributor based in Essex with a range of over 5,500 products.

Established in 2004, Samac supplies builders, timber, roofing and fencing merchants with a constantly growing range of products that is now so much more than the nails for which the company first became known.

With more than 35,000 sq. feet of warehouse space and a turnover in excess of £10 million, Samac supplies both pre-packed and bulk nails, a vast range of screws and fixings, as well as comprehensive ranges of roofing, fencing and building accessories.

Samac also boasts a developing range of branded products including The Performance Range, Champion Collated Nails and Atlas Fixings, with additional brands to follow throughout 2018.

Distribution

Samac distributes their products UK wide via our own fleet of vehicles and national couriers. All stock items will be delivered within 48 hours as standard.

Online Ordering

You can now order all of your Samac stock online. Over the past year our IT department has been working on connecting our operating system to our website, enabling you to check prices and order online. As a Samac customer you will automatically have an online account, and on request you will be provided with your login details which can be amended at your first login. Orders placed online will automatically transfer to our operating system, increasing the efficiency with which we are able to process orders and deliver your goods.

Online ordering features:

- Browse our full range of products
- Check your prices
- Check your order history
- Save your popular items
- Full product Information

Contents

	Screws	7 - 38
	Nails	39 - 72
	Collated Nails	73 - 80
	Fasteners / Fixings	81 - 106
	Roofing Products	107 - 120
	Building Products	121 - 134
	Fencing Products	135 - 137
	Wire Netting	138 - 140
	Adhesives / Silicones / Sealants	141 - 145

Bespoke Label Service

At Samac we are proud to consider ourselves the UK's leading own branding specialist for nails, screws and fixings. We have a full time team dedicated to designing, printing, packaging and labelling our wide range of pre-packs.

Everything from small bags of screws to 20kg tubs of nails are delivered with your bespoke designed label which can include everything from your logo, address and barcode to your website address and twitter handle.

Advantages of own branding

Getting more for your money

Samac incorporates the cost of your own label into the cost of the product, therefore you still pay competitive prices whilst receiving free advertising in the form of the products on your shelves.

Build your own brand

If you sell a product with your own label on, everywhere the packaging goes, so does you brand. Products like nails will often be on site for several days encouraging passive marketing and giving quick access to your telephone number, address, website etc.

Customer retention

Once a customer has finished using a product with your own brand labelling, if they are happy with the quality of the product they are likely to return to your shop to purchase the same item as well as others with the same branding, as opposed to a generic brand which he could purchase at any number of trade counters.

Screws

Performance Plus	10 - 14
Performance Decking & Structural	15 - 16
BZP Twinthread Woodscrews	17 - 18

Nail Packaging

Pre-Packed nails are what Samac's success has been built on and the choice is yours when it comes to how your nails are packaged. Nails can be purchased in pre-packs from as little as 50g and up to 25kg bulk boxes, giving you the choice and flexibility you need to offer your customers the range they require.

50g/100g packs

All 50g & 100g packs of nails will be supplied in euro slotted bags.

250g/500g/1kg packs

250g, 500g & 1kg packs of nails can be supplied in clear polythene bags, euro slotted polythene bags, clear plastic trays or polythene pouches.

2.5kg packs

2.5kg packs of nails can be supplied in clear polythene bags, clear plastic tubs or polythene pouches.

5kg/10kg buckets

5kg & 10kg buckets of nails are available in either white or clear buckets with handles.

20kg buckets

20kg buckets are available in a selected range of nails and are supplied in a white bucket with handles.

25kg boxes

25kg boxes of nails are available in the majority of our nail range.

Collated Nails

Champion 1st Fix	76
Champion 2nd Fix	77
Paslode 1st Fix	78 - 79
Paslode 2nd Fix	80

CHAMPION

All 1st Fix Champion Nails comply with Eurocode 5 and our range covers all 3 service classes.

SERVICE CLASS 1 - BRIGHT

Internal use or where the moisture content of the timber does not exceed 12%. Fasteners do not require a corrosion resistant coating.

SERVICE CLASS 2 - ELECTRO GALVANISED

External use where the application is not directly exposed to moisture or where the moisture content does not exceed 20%. Fasteners must have a minimum of 12 microns of zinc galvanising.

SERVICE CLASS 3 - HOT DIPPED GALVANISED & STAINLESS STEEL

External use where the application is directly exposed to moisture or where moisture content is greater than 20%. Fasteners must have a minimum of 43 microns of hot dipped galvanised coating or manufactured from stainless steel.

1ST FIX COLLATED NAILS

FEATURES

- D-clipped head for greater number of nails per strip
- Diamond point for increased penetration

SHANK TYPE

- **Annular Ring** - High pull-out resistance
- **Part Annular Ring** - Increased pull-out resistance for longer lengths whilst maintaining low insertion resistance
- **Smooth** - Low insertion resistance for longer lengths

USES

- Timber Frame • Stud Work • Roof Battening Joists
- Roofing • Fencing • Packaging

2ND FIX COLLATED NAILS

FEATURES

- Available in straight or 20° angled collation
- T head for concealed fixing
- 16 gauge brads allow low resistance in all materials
- Chisel point
- Available in electro galvanised and stainless steel

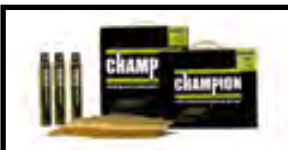

USES

- Architraves • Skirting • Dado Rail • Tongue and Groove • Window Casing

Marketing Support

Our Marketing team has created a range of materials to help you raise product and brand awareness within your customer base. Materials include posters, leaflets and external banners providing a combination of technical, installation and product information. As well as a range of readily available promotional materials, Samac are able to create bespoke marketing material for customers included own-branded posters, special offers and even videos with customers logo's and details included. All you need to do is ask.

Monthly special offers are distributed via email and our external sales team, to make sure you benefit from the best deals we can offer. As a Samac customer you will always be the first to know about new products and additional sizes to existing ranges.

Samac also offers a growing range of merchandising stands which can stock the vast majority of Samacs' product range. Merchandising stands are offered free of charge on loan, to display Samac products. Additionally if you need any assistance with stock profiles or the installation of stands, we'll do our best to help!
