WELCOME

Originally formed in 1867 in Saverne, France, Haemmerlin Ltd is now the oldest company manufacturing wheelbarrows in the UK.

With over 150 years of knowledge and expertise, Haemmerlin Ltd manufactures its entire range of wheelbarrows from its factory in Walsall, West Midlands fulfilling the demands of the Construction, DIY, Gardening, Equestrian and Agricultural Markets.

Now part of the Wernerco SAS Group, Haemmerlin Ltd produces high quality products at a competitive price, backed up by innovation and best in class customer service.

TRAYS

Strong, rigid and functional. Tray edges are double shifted for added strength.

WHEELS

All Haemmerlin wheels are 'Reach compliant'. All APneumatic wheels have a Metal Disc Rim which adds Durability and reduces the risk of Punctures.

BI MATERIAL HANDLE GRIPS

Unique to The Haemmerlin Brand, slip resistant with a comfortable feel. Ergonomically designed, they are perfect for an assured grip.

ERGONOMICALLY DESIGNED

Improved load distribution, 2 thirds of the weight is supported by the wheel.
