

The background of the entire page is a vibrant teal color with a marbled, liquid-like texture. The colors range from a deep, dark teal to a lighter, almost white-green, creating a sense of movement and depth. The marbling pattern is organic and fluid, resembling ink or paint swirling together.

Sanitary Ware

The beautiful curves and the soft square profiles adds a touch of elegance to any contemporary bathroom design.

Double-shift water outlet: the design of the 3/4.5L double-shift water outlet not only ensures a thorough clean, but it also saves water.

Rimless toilet: traditional flush rims attract germs, dirt and deposits. Each LETOP Rimless Toilet is designed entirely without a flush rim, so there are no hidden, hard-to-reach places where bacteria can build up and odour can develop.

Soft close seat cover: a built-in damper reduces the impact and noise made by the seat cover when it's closed.

Easy to clean glazing: the smooth surface of the porcelain glaze has been specifically designed to be easy to clean, with no hidden or hard-to-reach places where bacteria can build up.

Whole-sewer glazing: the inner surface of sewer is completely glazed, ensuring that there is nowhere for dirt to hide, minimising the chance of blockages.

Easy assembly & disassembly: the design of easy assembly & disassembly is excellent. A slight twist can ensure the easy cleaning of the toilet.

MINERAL COMPOSITE WALL TILES

Composite Panel with Tongue & Groove System

The Tongue & Groove system together with the mineral structure makes the product perfectly adaptive to any surface for a professional work. The Composite Panel provides superior rigidity and high resistance making the product harder than a ceramic tile.

Fitted for new projects or renovations

Save time in installation, is really fast and easy.
Won't cause dust, noise or any type of mess at all.

Extra-safe connection

Thanks to the Tongue & Groove connection system, water will not pass through the joints.

25% PVC
70% Mineral Powder
5% Resin

Extra-thin product,
perfect to cover all
kind of surfaces.
