Our 2022 Bathroom Collection features a wide range of brand new products as well as returning favourites. From brand new Brushed Brass showers, taps and accessories, to our new Select fitted furniture, and all new slate effect shower trays and enclosures in chrome and matt black, we've got something for every bathroom.

WHAT'S NEW

A SELECTION OF OUR NEW RANGES

CARRON BATHS

We now offer Carron's entire range of baths, available to order, as well as some key ranges off the shelf in a variety of sizes. Selected models available with Carronite™ finish for added strength and insulation - see from page 85.

A TOUCH OF COLOUR

Brighten up your bathroom with new Zaneti™ Koloour furniture units - available in a range of stunning finishes including Misty Pink, Ocean Blue and Forest Green (shown). See the range from page 62.

WOODGRAIN FURNITURE

Our new Aura range is available in 3 stunning finishes, including gloss white and two wood effect tones. For the full range of units available, see page 48.

STUNNING CERAMICS

We've added four stunning new ceramics ranges - Aquarius features rimless pans and choice of slim or wrap seats, Taurus with a striking rounded design, Forth including a rimless round pan and slim seat, and Avon with a wrap seat and square pan design. See our Sanitaryware section from page 4.

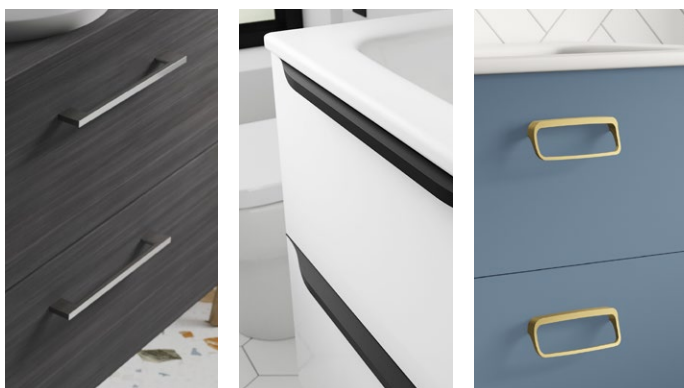

WHAT'S CHANGED

UPDATES TO OUR BROCHURE & EXISTING PRODUCTS

MATT BLACK BASINS

We've expanded our range of countertop basins (page 24) to give you even more choice, with matt black ceramic options now available, as well as a matt black basin for 600mm vanity units for an extra touch of luxury. See our Purity range (page 42) for details,

BRAND NEW HANDLES

We've updated our range of handles available for various units, with new Polished Chrome and Matt Black handles for our Purity range, as well as a revamped range compatible with Kinetic, Aura and all Zaneti units! See page 78 for the full selection.

FIBO PANELS

We've added a variety of new options to our selection of Fibo wet wall panels, with new Straight Herringbone styles in our Urban Collection, and additional stone effect finishes in our Scandinavian Collection - see page 196 for more info.

Guide to WCs

Which WC Pan is right for you? See our options below.

Close Coupled (C/C)

A standard Close Coupled WC, the cistern is visible for ease of access, and mounted directly to the pan.

Close to Wall

Similar to a C/C WC, but the pan extends back to fit flush with the wall so that all pipework is hidden from view.

Comfort Height

A C/C or BTW pan with a raised height, more comfortable for those who are taller or have mobility issues.

Back to Wall (BTW)

The cistern and pipework are hidden within the wall or a WC unit - requires a separate concealed cistern.

Wall Hung

Mounted to the wall with pipework hidden inside - requires a concealed cistern or an in wall frame.

Guide to Basins

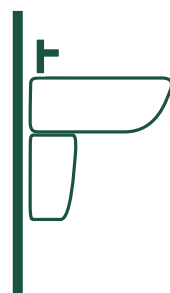

Looking for a vanity unit with an integrated basin? See our furniture range from page 26.

Pedestal

A standard basin resting atop a full pedestal which supports the basin and conceals the pipework.

Semi Pedestal

A wall mounted basin taking advantage of a smaller pedestal to conceal pipework.

Semi Recess

A low profile basin mounted into a worktop with the pipework concealed inside a vanity unit.

Countertop

A standalone basin which sits on a worktop. - pair with a hi rise basin mixer (see page 137) for a stylish solution.

All our ranges feature soft close seats, with a quick release mechanism for easy removal for cleaning. Certain ranges also feature a choice of slim or wrap seats, for more customisation in your suite

As the name suggests, Rimless WCs lack the traditional rim, making them easier to keep clean, as well as saving water via direct flush technology. They look sleek and stylish too! Look for this symbol for rimless pans.

As well as a simpler more contemporary style, rimless pans are easier to keep clean than traditional rimmed WCs, and save water by using a direct flush to circulate water around the bowl.

BACK TO WALL PANS

- Our extensive range of back to wall WC pans include something for every bathroom.
- BTW pans require a concealed cistern, see page 22.

LEWIS

BATHROOM FURNITURE

Choice of Basins

- Choose a traditional round basin available for all vanity units, or a modern square style for 550mm and 650mm units.

Round Ceramic Basin

A curved bowl with wider sides for extra room around the basin.

Available sizes - 450, 550 & 650mm units

Square Ceramic Basin

A larger bowl with a contemporary square edged design.

Available sizes - 550 & 650mm units

- Available in a Gloss White finish with a choice of basins, Lewis units can stand alone or be placed together for a stylish contemporary solution.

How to Order

- Select a finish, as shown above, and a carcass (available in white or grey).
- Choose from our selection of base units (335mm deep), combining units of various sizes to fit your available space. Remember to include a WC unit for Back to Wall pans and consider a tall unit for additional stylish storage space. If desired, choose wall units to complement your base unit combination.
- For areas where the carcass is exposed (the feet of base units or ends of any unit type), select from filler panels, and panels and plinths to conceal them. These are available in standard sizes and can be cut to fit your selection of units.
- Pick from our selection of square edge worktops on page 77 - available in a range of stylish finishes.
- Choose your handles from page 78 - remember you'll need one for each door or drawer.
- Finish with a Back to Wall pan (page 20) and a Semi Recess basin (page 25) for the ultimate stylish fitted solution.

▪ Gloss mid grey with chrome bar handles and gloss white worktop.

From freestanding baths for those who enjoy a luxurious soak, or shower baths and screens so you can make the most of your tub, our bathing collection offers a variety of options to help you bathe in comfort.

Technical information available -
see page 208-210

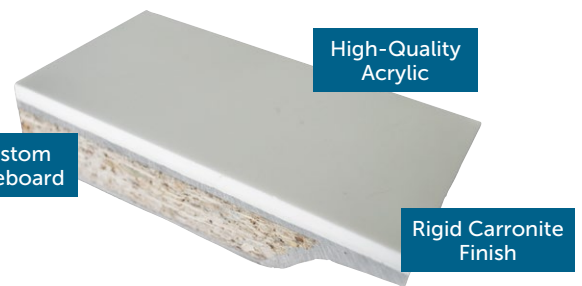

- Carron's entire range of single & double ended, freestanding and shower baths available to order - see page 86-87 for the range.
- **Featured models:** Quantum SE & DE, Integra Grippid and Profile Slim Edge baths all available off the shelf in a range of sizes to suit your bathroom - see pages 88-93 for details.
- Available with Carronite™ finish for greater strength and insulation.

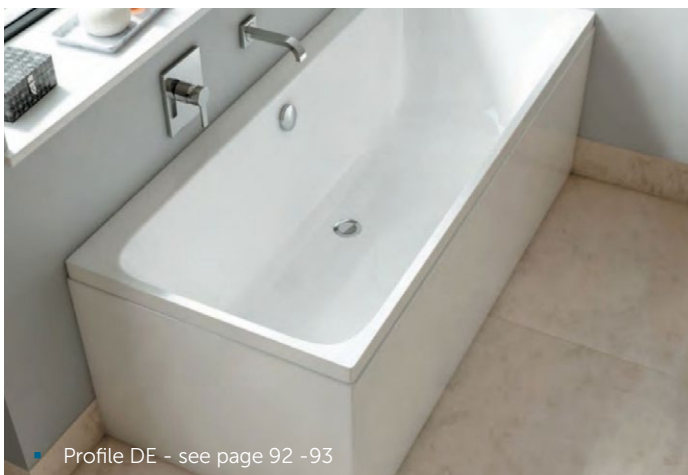

▪ Delta SE, available to order

Carronite

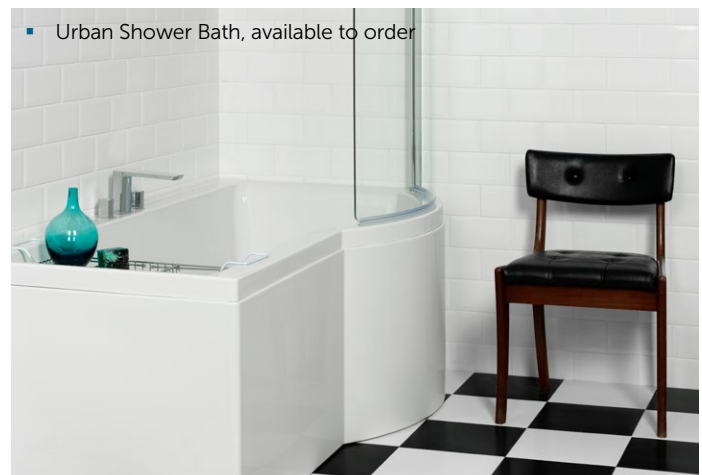

- **Added Strength:** the Carronite™ finish provides sturdiness and rigidity to your bath, for additional comfort and peace of mind.
- **Thermal Insulation:** The additional layers provide additional insulation against heat, meaning your bath will stay hotter for up to 30 minutes longer.

▪ Carronite cross section

▪ Profile DE - see page 92 -93

LADDER

STRAIGHT RAILS

22mm Gloss White

The gloss white finish provides a greater heat output than matching chrome rails.

25mm Chrome

25mm rails provide a greater heat output than the equivalent 22mm rail (around 15%) depending on dimensions.

LADDER

CURVED + ELECTRIC RAILS

22mm Electric Rail

Electric rails don't require plumbing, making them easier to install. Independent of any central heating, they can be separately controlled.

22mm Curved Rail

A curved rail allows more space for towels, and more airflow between the radiator and wall, as well as adding a unique touch of style.

- Durable & waterproof 4.5mm thick tiles/planks with Protectonite coating, Klickfloor flooring contains up to 50% recycled material.
- Suitable for use with underfloor heating up to 27°, Klickfloor is warm and pleasant to walk on, with low sound-transmission.
- Water resistance and an R10 slip rating means Klickfloor is the perfect choice for a stylish yet safe and comfortable bathroom floor.
- Use with Klickfloor Xtrafloor underlay for increased comfort, sound & heat insulation and to smooth out any irregularities - see below.

Underlay

- Specially designed for vinyl flooring and suitable for use with underfloor heating, insulates against sound and prevents movement on uneven floors.
- Not required for new Engineered tiled and wood ranges.

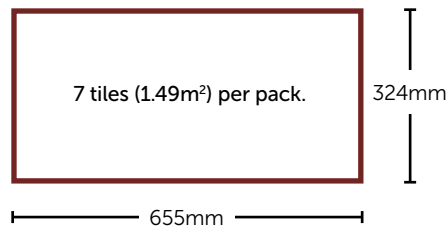

Xtrafloor Base (10m² Roll)
KKXPOWERBASE £147
1.5mm thick standard adhesive surface.

Xtrafloor Flex Pro (6.5m² Roll)
KKXPUNDERLAY £147
High-performance 1.8mm thick, pressure sensitive adhesive surface.
