Description

Calidad 95 slates are sourced from the world-renowned quarries in La Bana, Northern Spain. This slate gives great looks combined with superb weather resistance to help you create fantastic roofing results. With very little visible pyrite, the blue-grey finish looks as good from a distance as it does up close. With a great uniform look, this easily graded slate gives you a fantastic end result.

-This slate comes with a 100 year quarry backed guarantee-
