EXPECT MORE
THE COMPLETE COLLECTION 2022

**WE PUT
UNRIVALLED
ATTENTION TO
DETAIL INTO
EVERYTHING
WE DO.**

WELCOME

We are thrilled to present an updated brochure for 2022.

Our extensive range offers internal and external doors, hardware and accessories to suit all styles and to make the most of your interiors.

From traditional to contemporary, oak to grey, we have something for everyone. Our modern, Manhattan collection continues to grow and develop enhancing a high quality, thorough range of doors.

Whether you opt for a premium, modern or traditional finish for your home, we are confident our doors will create your perfect space.

Celebrating 40 years of experience and unparalleled attention to detail, our doors stand the test of time and our commitment to quality and a high level of service remains firm.

With LPD, you can always expect more than just the door.

in bespoke sizes.

BELIZE PRE-FINISHED OAK

Our ever so popular Belize collection is available in designs that will work anywhere in your home! Some ready to hang and some ready to be personalised. You can see each one on pages 36, 37 & 76.

CLASSIC & TIMELESS

BESTSELLERS FOR 2022

MEXICANO PRIMED WHITE

Although the Belize and Mexicano look similar, the Mexicano features deeper and wider grooves. The versatile range also features laminate styles too! View all of the finishes on pages 33, 34, 90 & 105.

VANCOUVER PRE-FINISHED LIGHT GREY

A classic yet contemporary design also available in an array of finishes and glazing styles. See pages 28, 29, 74, 91, 100, 106 & 107.

MELBOURNE PRE-FINISHED OAK

Ultra modern and stylish, the Melbourne will look great amongst modern interior. Also available in a sleek ash grey finish, see them both on pages 27 & 73.

SOHO WITH SOHO DEMI PANEL AND CHARLTON HANDLE.

MANHATTAN

SIDELIGHT OPTIONS

CHARLTON HANDLE.

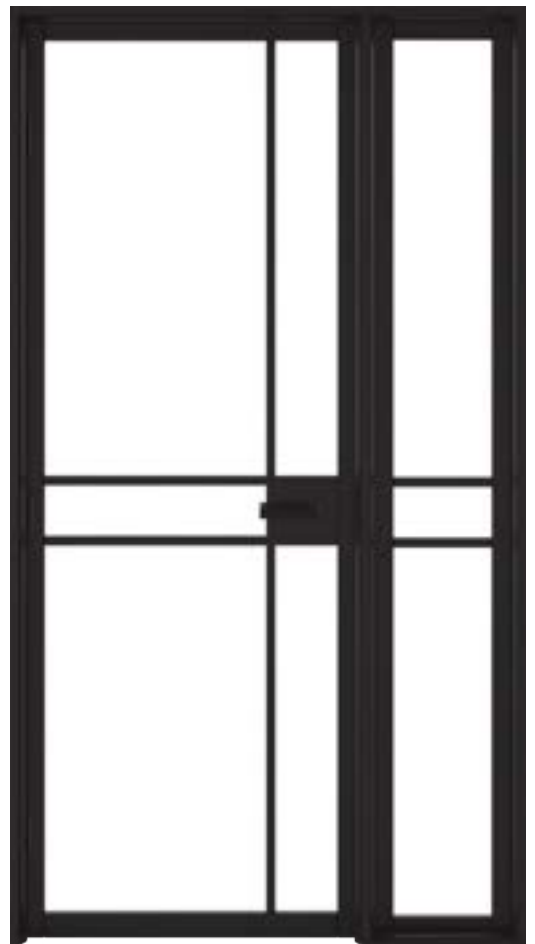

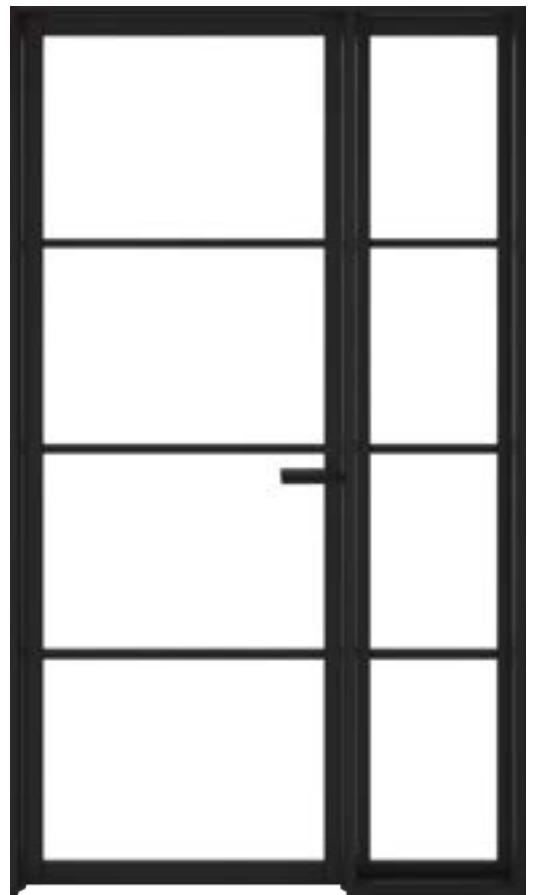

This Universal Frame can be used for a single access door with a fixed side light, or simply remove the centre mullion to use the doors as a French pair.

- Either fix sidelight into the frame to form a demi panel or create a pair door.
- Fill larger spaces allowing more light to pass between rooms.

Find out more on pages 60 - 63

GREENWICH WITH GREENWICH DEMI PANEL AND CHARLTON HANDLE.

TRIBECA CLEAR

The Tribeca collection creates a contemporary finish featuring straight, clean lines and a modern lock block, forming a sought-after look. Other glazing styles available see pages 55 & 56.

COVENTRY

Our Coventry range of doors are a versatile choice which will work in both traditional and contemporary homes. Other finishes and glazing options available, see pages 30 & 89.

MONTREAL

Sleek and modern, available in stylish shades, the Montreal has a unique design which will make a strong impact on your interior. Full collection available on pages 27, 73 & 104.

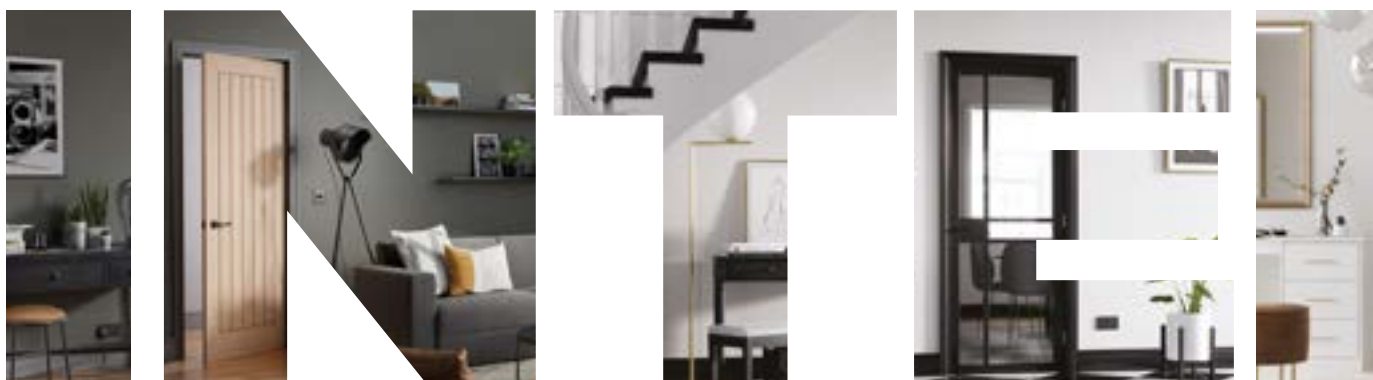

DOWNHAM

Available in primed white and unfinished oak, our Downham doors can be personalised to suit your interior. Traditional at its finest, see the whole collection on pages 50 & 97.

INTERNAL OAK COLLECTION

A versatile choice, oak is
dependable, trendy and
will always look good.

**Bespoke
Service
Available**
on selected ranges

We are delighted to be able to offer special sized doors in most models from this range of doors. Availability is subject to confirmation at the time of enquiry.

PREMIUM OAK

Our premium oak doors are charmingly stylish, which incorporate high quality features throughout your home.

The use of solid timber and bolection moulds on our premium oak doors creates a consistent, high end feel amongst your interior and coming fully pre-finished, they are ready to hang.

IMPORTANT

Due to the unique design of the Manhattan door range, featuring narrow 80mm wide stiles and rails, we have sourced a specialist range of Manhattan hardware to be used in conjunction with the doors. Using alternative hardware could potentially cause significant damage and compromise the door's functionality. Installation guidelines provided with each door must be adhered to. See all Manhattan hardware on pages 64-65.

MANHATTAN SIDELIGHT OPTIONS

Discover endless options with our Manhattan Universal Sidelight Frame. Allowing any two Soho, Liberty or Greenwich doors or demi panels from the room divider options (page 118 and 119) to be placed alongside each other, creating a modern walkway between rooms. The mullion supplied with the frame can be fixed anywhere along the frame to allow for any of the options to work together. Simply purchase two of any of the doors or demi panel options and one frame. Combine with our Manhattan hardware to complete the contemporary look! See example options on page 63 for some inspiration!

CREATED USING A GREENWICH, GREENWICH W6 DEMI PANEL AND MANHATTAN UNIVERSAL SIDELIGHT FRAME

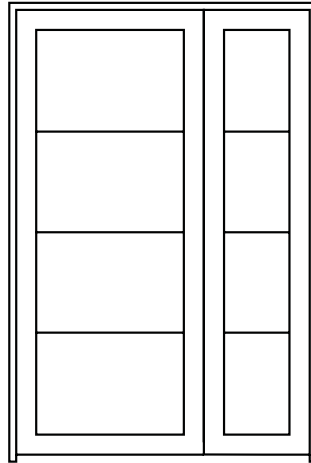

CREATED USING A SOHO, SOHO W6 DEMI PANEL AND MANHATTAN UNIVERSAL SIDELIGHT FRAME

KEY INFORMATION

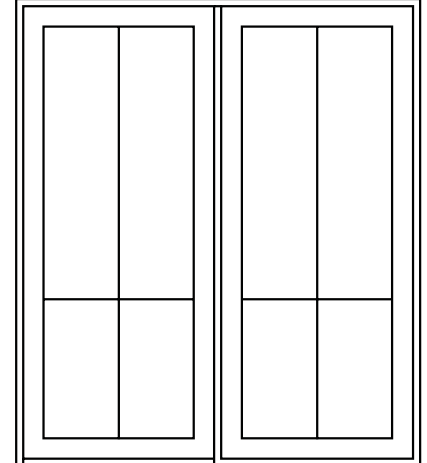

- Create your own look and feel using any two doors or demi panels from the Soho, Greenwich and Liberty options
- Can be used for a single access door with a fixed side light, or simply remove the centre mullion to use the doors as a French pair
- Manhattan Universal Sidelight Frame includes glass beads therefore if you would like you could add a full glass pane as the sidelight. Please note that LPD do not supply glass panes
- If any touch up is required please finish with paint in RAL 9011, gloss level 10-15%
- Maximum outer frame size 2200mm (w) x 2070mm (h)
- Combine with Manhattan hardware on pages 64 and 65

MANHATTAN HARDWARE

Enhance your choice of Manhattan doors with our Manhattan ironmongery range, creating elegance with a loft style, urban vibe. The matt black ensures the creation of a sleek, understated finish. Our various latches are specifically designed with a 53mm latch casing to complement our 80mm stiles. If alternative hardware is chosen for our Manhattan range, please ensure you don't trim the door edge more than 5mm and the latch casing used is no bigger than 53mm. If in any doubt, please contact us for more information.

Using alternative hardware could potentially cause significant damage and compromise the door's functionality. Installation guidelines provided with each door must be adhered to.

PREMIUM COLOURS COLLECTION

Our premium colour doors are charmingly stylish and incorporate high quality features throughout your home. The use of solid timber and bolection moulds creates a consistent, high end feel amongst your interior. The high quality, contemporary designs are further emphasised by our use of smart and popular colours such as black and grey.

(see page 132 for full details).

DOWNHAM GLAZED WHITE SEE PAGE 94

INTERNAL WHITE COLLECTION

Smart and fresh, add a cool,
clean finish to your interior.

**Bespoke
Service
Available**
on selected ranges

We are delighted to be able to offer special sized doors in most models from this range of doors. Availability is subject to confirmation at the time of enquiry.

PREMIUM WHITE COLLECTION

These doors are charmingly stylish and incorporate high quality features throughout your home. The use of solid timber and bolection moulds on our premium white doors create a consistent high end feel. The great quality and modern designs are further emphasised by the use of clean, fresh, primed white, which helps to make your home feel more sophisticated and elegant.

“SIMPLISTIC,
VERSATILE AND
CONTEMPORARY.
CREATE THE
PERFECT FINISH”

Our handles offer sleek, modern finishes to suit all contemporary homes. Linear grooves on the Geneva handle create texture and further enhance our high quality, on-trend door designs and our unusual Matt White and Timeless Rust handles will look aesthetically pleasing with our whole internal collection!

All handle packs are supplied with matching hinges and latch. See page 139 for further information.

DOOR FRAMES

LPD offers a wide range of internal door frames to suit your needs, in both oak and white primed. Easy to put together, these frames, once finished with the top treatment of your choice, will last for years.

We also offer a choice of fire door linings in hardwood, redwood and oak type finish, along with a range of intumescent strips depending on your requirements. As well as linings, you can choose from a selection of architraves and skirtings in either oak or white to complement your door and can be used with LPD Doors.

*All FD30 and FD60 capable doors to be fitted in accordance with the relevant fire certificate.

flusso.

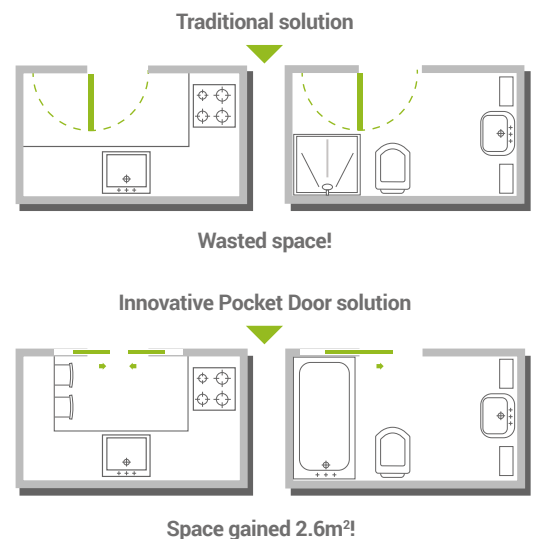

POCKET DOORS

The range offers two types of internal pocket door systems, the current pre-assembled set and all new self-assembly kit system. They allow doors to disappear effortlessly into your wall, letting you make the most of the space in your room. Pairing this unique system with an LPD Door has endless possibilities to add a feature to your home.

Pocket doors are designed to allow you to make use of the often unusable space taken up by conventional opening doors. By removing the footprint created by traditional hinged doors, users can typically save 2.6m² per door.

Fast becoming a neat, contemporary solution where space is at a premium, pocket door systems are ideal for living areas, en-suites or office spaces. In fact they can be used anywhere where you do not want a door encroaching into the room.

PRE-ASSEMBLED SET

Convenient, stylish, and ultra-modern, the Flusso pre-assembled pocket door sets can be fully installed within 15 minutes. Designed to work in partition walls, the pre-assembled pocket door set is great for large scale construction projects.

AVAILABLE FOR SINGLE OR DOUBLE DOORS

Time Saving Pre-assembled Pocket

- Space Saving
- Simple Installation
- Suits doors 35 or 40mm thick dependant on set purchased
- Max door weight 120kg per leaf
- Endpost, crosspieces, cassette edge covers, door brushes and seals supplied as standard
- 125mm finished wall

Jamb Kit Included
Available in Unfinished Oak

EASY 5 STEP INSTALLATION PROCESS

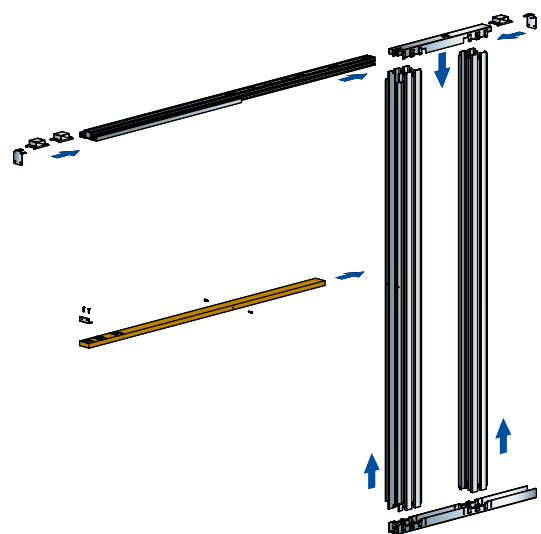

1. Insert aluminium track
2. Attach jamb and space bars
3. Fix to studwork
4. Apply plasterboard and plaster
5. Insert door

SELF-ASSEMBLY KIT

Great for smaller projects, this pocket door kit is easy to assemble and typically takes around 30 minutes to install. This contemporary pocket door kit can be combined with the majority of our door range and is the perfect space saving solution!

- Space Saving
- Self-assembly kit
- Suits doors 35 or 40mm thick dependant on set purchased
- Max door weight 120kg per leaf
- 125mm finished wall
- The double kit pocket door solution is created from two singles kits joined together using the junction tongue supplied with each single kit. A double door timber pack is supplied which has a longer crosspiece.

INTERNAL FIRE DOORS 🔥

Putting customers first has always been a priority at LPD Doors, and no more so than when it comes to safety. During times of ever more stringent fire safety regulations, we take pride in being able to supply our customers with not only stylish doors, but also ones that meet the necessary safety regulations for internal fire doors.

As market leaders in the door industry, we feel it is our business to ensure we are in a position to give all of the compliance detail required if you choose to purchase a fire resistant joinery product. Installation instructions, fire certificates and general advice will be available to all who request it. We are investing heavily into fire certification which will ensure we remain at the forefront within our industry.

Many of the door styles and finishes we offer are available as 44mm thick half hour FD30 capable doors. We have 54mm thick one hour FD60 capable options in some of our bestselling ranges.

1

Fire rated single axis hinges EN1935, see page 139.

2

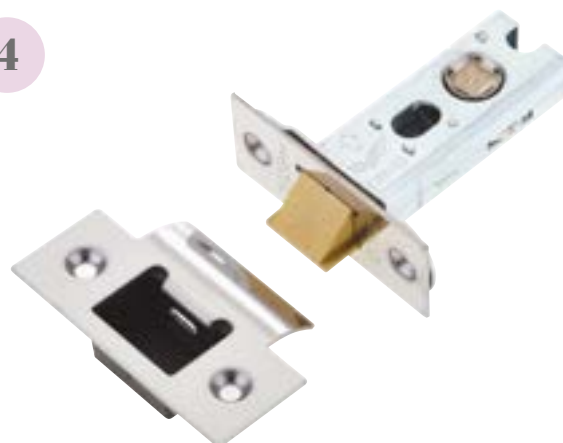

For Intumescent Strips, see page 140.

3

Fire Rated Door Frame has pre-cut groove ready to accept intumescent strip, see page 141.

4

Fire rated latch & lock EN12209, see page 139.

If not purchasing hardware from LPD, it must conform to the following standards:

Latches and locks: EN12209

Single axis hinges: EN1935

Controlled door closing device: EN1154

All must be CE marked.

Wherever you see this symbol, we offer that door in a 30 minute fire resistant option.

Wherever you see 2 fire symbols, we offer that door in a 60 minute fire resistant option.

Please be advised that Fire Doors have limitations when manufactured in bespoke sizes. Please contact us for assistance with your bespoke fire door sizing.

BESPOKE INTERNAL DOORS

Finding the perfect door is made easy at LPD, and we have always maintained an enviable reputation for offering a wide range of on trend finishes and styles, in many standard sizes.

However, we also offer bespoke, Made-2-Measure door blades in sizes to suit most requirements, whether you want taller or wider, or both! We can offer bespoke sizes up to an impressive 2800mm x 1200mm, providing doors that fit your needs, as well as making stunning statement pieces in their own right.

 Look for this sign to see which doors are available in bespoke sizes.

Standard Door
1981 x 762mm (78" x 30")

Wide Door
Up to 1200mm

Tall Door
Up to 2800mm

These larger doors can really make an impact in your home and to further enhance your décor, choose from many of our stock door finishes, just a few of which are shown on page 151.

By mixing the best of bespoke, both size and finish, you can really enhance any living area. For any queries, please contact us and we will do our utmost to accommodate your needs.

Please be advised that Fire Doors have limitations when manufactured in bespoke sizes. Please contact us for assistance with your bespoke fire door sizing.

EASY ORDERING

Just because you need something a little out of the ordinary doesn't mean it needs to be hard work.

Simply follow these four steps and wait for your bespoke door to arrive!

Step 1

Contact your local stockist to request an enquiry form. Alternatively email your enquiry to bespoke@lpddoors.co.uk

Step 2

Once we receive your enquiry form, you will be sent an official quotation and lead time.

Step 3

You will receive a technical drawing and once approved, your door will be put into production.

Step 4

Your Made-2-Measure doors are delivered by our own, in-house delivery team.

BESPOKE INTERNAL DOOR SETS

Used mainly for new build, residential apartments or commercial applications, LPD has the ability to supply made to order, specified door sets on a leadtime of 12-14 weeks. Please note these lead times may vary due to current supply issues.

These doors all have three-layer particle board cores with a wide range of veneer options, high pressure laminates or paint finishes.

Door sets are essential to ensure performance for fire protection, sound proofing and durability. Seals and insulation are all vital to ensure the door will function as designed.

LPD door sets can be made with varying fire ratings, DB ratings and with Pas 24.

The process couldn't be easier:

THE MADE-2-MEASURE 4 STEP PROCESS

Step 1

Send your specification to bespoke@lpddoors.co.uk, or ask us for a template.

Step 2

We will run through all the suitable options with you and finalise your requirements along with a quotation.

Step 3

A technical drawing is produced for you to check and sign off on all measurements.

Step 4

Your doors will be manufactured and delivered, by our own, in-house delivery team.

Picture used for illustrative purpose only.

ENVIRONMENT & MATERIALS

Nothing is more valuable than the environment in which we live, and few industries are more closely linked with the environment than timber. LPD takes its responsibilities very seriously, striving to make a positive contribution to minimise the impact of its activities on the environment.

ENVIRONMENT AND FSC®

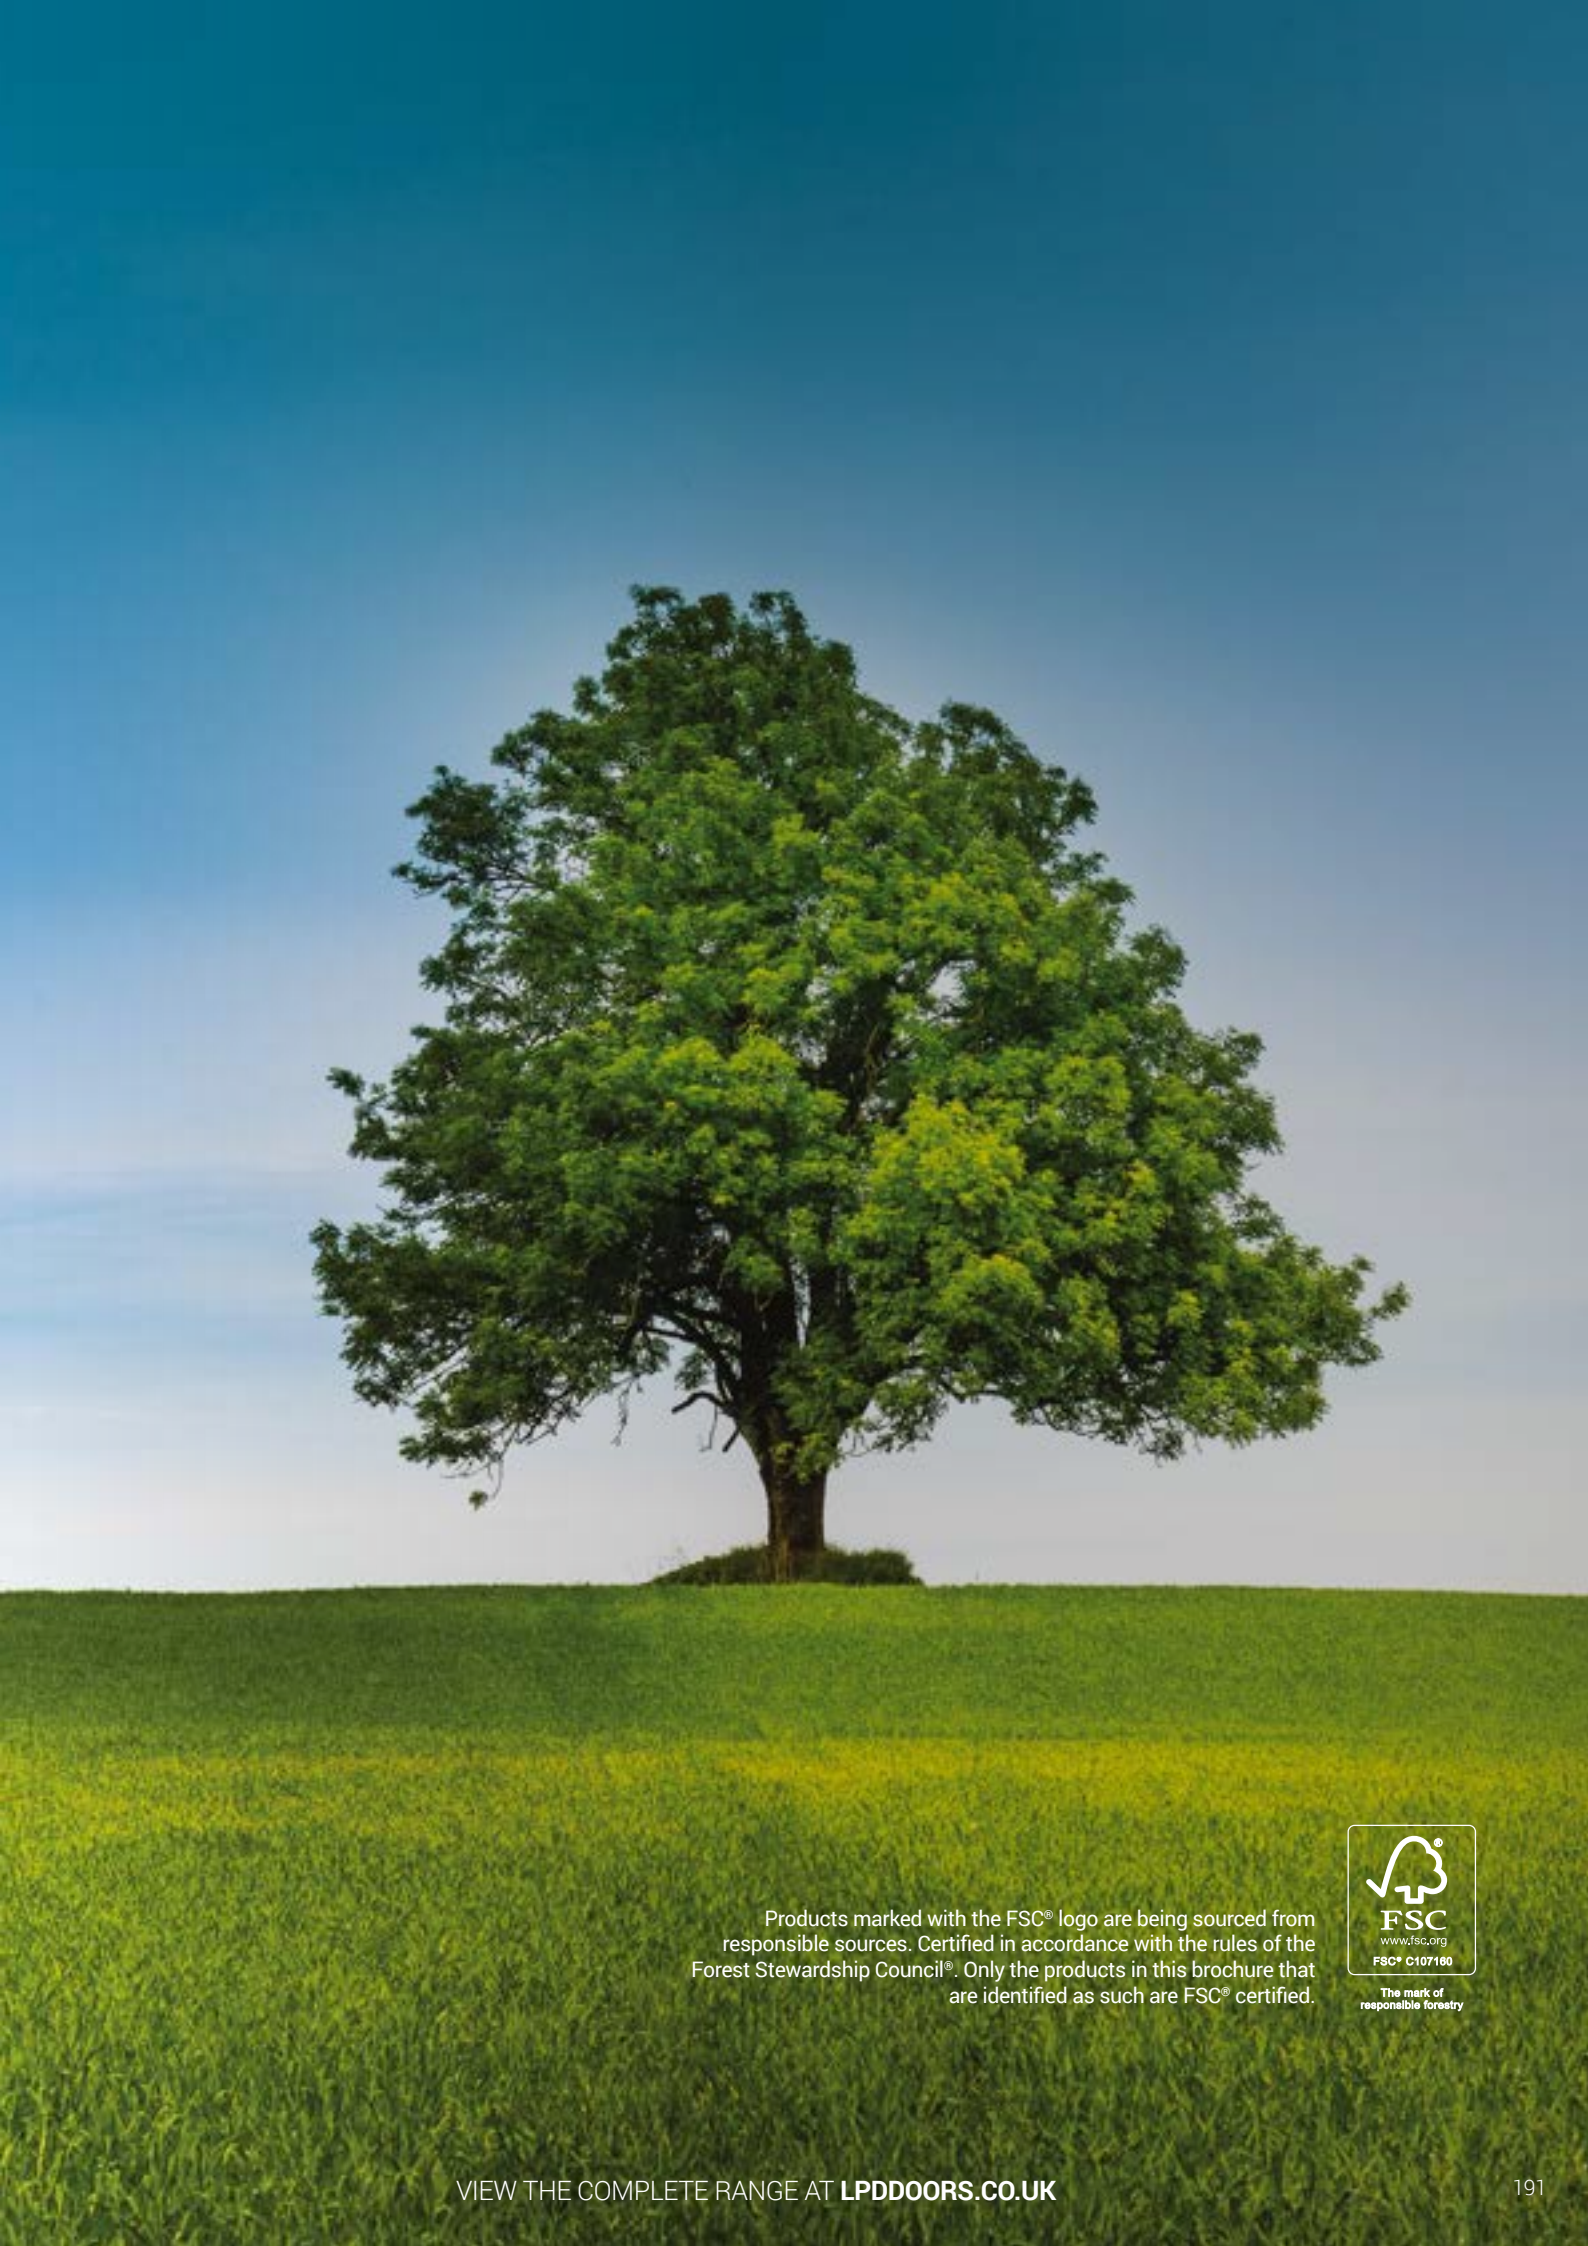

LPD are wholly committed to the following Environmental Policy:

- To meet or exceed all the environmental legislation that relates to the Company's activities.
- Wherever and whenever economically practicable, endeavour to use environmentally safe materials.
- Where feasible, strive towards the continual reduction of all waste streams, to air, water and land.
- Wherever commercially viable, recycle and reuse any materials that would otherwise go to landfill.
- To regularly monitor energy usage in order to reduce overall consumption.
- To communicate the policy internally and place it in the public domain.
- To establish and regularly review all environmental objectives in respect of this policy.

Being a major force in the timber related industry, we are fully committed to upholding the principles of FSC®, and aligning ourselves with manufacturers who source their materials from well managed forests. We are proud to say that an ever increasing number of our products are FSC® certified, and as we move forward, this will become more prevalent.

DOOR CONSTRUCTION

Most of our internal and external doors are manufactured using engineered component parts. This enables us to provide a product that offers a solid feel, combined with all the advantages that engineering brings in terms of strength, consistency and stability. All of our engineered doors are faced with veneers and matching lippings.

Products marked with the FSC® logo are being sourced from responsible sources. Certified in accordance with the rules of the Forest Stewardship Council®. Only the products in this brochure that are identified as such are FSC® certified.

FINISHING GUIDELINES

EXTERNAL JOINERY

Products taken out of their packaging must be fully decorated straight away. Sand away any handling marks or variations and dust thoroughly before priming or sealing. Ensure that wire wool or other sanding materials containing steel or iron are not used on any of our products. Where necessary it is important that doors and frames are fully sealed on the two faces and all edges.

Areas that are cut out for handles, locks, hinges, and letter plates etc. must also be fully sealed. These must be in accordance with British standards. Failure to seal products accordingly will invalidate any claims. Use a proprietary branded Hi-Build stain or paint and treat in accordance with the manufacturer's instructions. Note: Redwood, boarded doors including garage and Paint Grade doors are only suitable for Hi-Build paint finish. Lightly sand between coats to provide the best finish. Ensure adequate drying time is allowed between coats.

The sun can shorten darker colours' lifespan which makes them vulnerable to the elements. Where there are areas of high exposure, cover the external door with a hood, canopy or porch to help create a decorative finish and elongate your door's lifespan. Regular maintenance, however, is required to stop the deterioration of the wood, the construction and finish. When decorating the door, take care not to paint or stain weather strips, ironmongery, projecting hinges or moving parts as this could cause damage to the performance of the product. LPD external joinery is NOT suitable for varnishes, waxes, polishes, dyes, oils including Danish Oil, yacht varnish or lacquers, as the finishes do not protect our products.

MAINTENANCE GUIDELINES

LPD recommend the following points to maintain and extend the life of your exterior joinery products:

- All joinery products should be washed twice a year minimum with a mild solution of soapy water and rinsed with clean water. This should be completed at least four times if in a marine or industrial environment.
- All mechanical hinges etc. should be oiled with grease or neutral oils.
- Weather seals should be checked and cleaned often.
- When cleaned, scrape, lightly sand and touch up any areas of wear and tear with a matching microporous paint or stain. Bare wood should be primed first.
- Timber is a natural product so performs slightly differently throughout the year, seasonal adjustment may be required to assure ongoing performance.

INTERNAL JOINERY

Products taken out of their packaging, must be fully decorated straight away. Pre-finished doors however, come already finished and ready to hang. If the door edges are trimmed, they will need finishing with a polyurethane varnish. We recommend a Hi-Build, microporous product that is not quick drying to prevent waterlogging.

Our Oak timber doors can be decorated with a paint, stain, varnish or lacquer of your choice. White primed timber doors can be decorated with a good quality timber paint suited to your property.

LPD internal joinery is NOT suitable for waxes, polishes, dyes or oils. Please speak to the manufacturer of the product prior to use to ensure it is suitable for the style and construction of your veneered door.

LPD are forming a new partnership with Treatex and recommend their Hard Wax Oil for unfinished oak internal doors. It is designed to enhance and protect the natural beauty of your door and is user friendly, easy to apply and can be used in all interior situations.

RETURNS POLICY

Please note, wood is a natural product and therefore variants in the colour and grain is common. We suggest doors are purchased in plot orders to avoid batch variation. It is vital that you check the product before it is hung so issues can be resolved quickly and efficiently. Once a door is hung, this is deemed as acceptance and will not be liable for a return.

THE LPD GUARANTEE

10 YEAR GUARANTEE

When it comes to producing quality doors to stand the test of time, we use only the finest quality materials and manufacturing processes. We are proud to stand by our doors, and we have no hesitation in offering a conditional 10 Year guarantee against faulty materials or workmanship.

Should one of our doors be found to be defective upon delivery, or develop a fault due to faulty materials or workmanship within 10 Years of delivery, at our discretion we will offer the original purchaser the option of repair, replacement or refund.

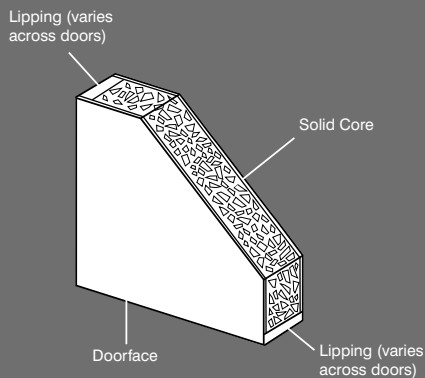

Due to the manufacturing process, colours and specification of the products may vary from those shown. Please note: guarantee is 5 years for glass and hardware.

Please refer to details online at lpddoors.co.uk.
