# INTRODUCTION

Established in 2004, Temb  DIY and Building Products Ltd is a British company based in Doncaster. We're really passionate about our uncomplicated approach to business and making great quality products for professionals and DIY through our brands HIPPO® and FILLTITE®.

We're proud to share our name with Temb  Elephant Park, a 300 square kilometre reserve located in Africa between Zululand and Mozambique. It's an inspirational place where the busy modern world ceases to exist. The Temb  people are ancestral custodians of the area and are famous for their friendship and warm hospitality.

We're continuing to work with Children with Cancer UK.

It's the nation's leading children's charity dedicated to the fight against childhood cancer.

## TRUSTED SERVICE

Our target is to deliver all orders on time, in full, inside a maximum of **72 hours** from when we receive your order.

You can stock our products with the minimum amount of fuss. This is because we work hard to combine low carriage paid order values, with small case quantities. This enables you to merchandise efficiently and operate with lean levels of stock.

## ASSURED QUALITY

We understand that trusted quality is important to all our customers and end users.

Temb  operates an accredited ISO 9001:2015 quality system. Our brands Hippo & Filltite always carry the best possible quality accreditations.

PRO® HYBRID MODIFIED SILICONE

PRO3 ADHESIVE, SEALANT & FILLER

The Ultimate High-Performance Utility Tool

Our flagship 3 in 1 solution. PRO3 replaces multiple products with just one tube capable of finishing off every job imaginable. It can be used as an adhesive, sealant or filler on virtually anything, anywhere. So it's the perfect companion for every professional and DIY home improver.

- +/- 20% joint movement.
- For speed, power and versatility.
- Replacement for nails and screws when bonding heavy items.
- Excellent for roofing repairs and general, all purpose joint sealing.
- With low pickability its ideal for secure panel fitting.
- Our crystal clear colour option dries invisible, just like glass.

H18527		400 ml ECO-PAC				

ALL PURPOSE CLOTH TAPES

HEAVY DUTY TAPE

Tough Adhesive Cloth Tape That Repairs & Protects

A versatile tape that adheres firmly to most surfaces. An impregnated, cloth weave delivers tensile strength and good durability.

- Easy to tear by hand.
- Sticks to most materials.
- Works in damp & wet conditions.

XTREME TAPE

Powerful Waterproof Tape With Ultimate Durability

Tough polyethylene tape that's stronger, 50% thicker and more durable than standard builders tapes. Won't curl or go brittle in low temperatures making it perfect for extreme types of weather encountered on site.

- Easy to tear by hand even when wearing gloves.
- Low temperature resistance.
- Works in damp & wet conditions.

BIODEGRADABLE CLEANING

BAMBOO CLOTHS

Made From Bigger, Better Materials

Sustainably Sourced and fully compostable, Bamboo is often referred to as a 'Superplant' because it's highly renewable and yields super benefits for the planet. Plus once its disposed of it will begin breaking down into compost after just 2 months, in suitable waste environments.

Capable of absorbing large amounts of liquid, our multi-purpose cloths are strong and reusable. They can be run under the tap for additional help when cleaning up stubborn dirt, plus they can even be machine washed.

- High Strength Weave
- Superior Absorbency
- Machine washable
- Fully Biodegradable

## GENERAL ADHESIVES

### EXPANDING GLUE

#### High Performance Moisture Activated Polyurethane Glue

An Incredibly strong and versatile glue that permanently bonds a wide range of materials and keeps them bonded in all conditions.

Can be used to bond wood, metal, glass, stone, brick, concrete, ceramics, foam and much more. Expands to fill gaps so it's perfect for joining dissimilar surfaces.

Once dry it can be sanded by hand and will accept paint to finish. Expanding glue is temperature resistant and therefore unaffected by extreme hot or cold conditions which makes it extremely durable.

- Expands to fill gaps.
- Resistant to extreme temperatures.
- Dries 100% waterproof.
- Can be sanded by hand.

CODE	DESCRIPTION	SIZE / VARIETY	MOQ	EAN	LIST PRICE	RETAIL (EX VAT)

### WOOD GLUE

#### High Performance Interior & Exterior Wood Glue

An easy-to-use, water based PVA adhesive. This product has a strong water resistant formula which delivers fast bonds to a variety of wooden surface types, with a grip time of just 30 minutes.

Classified as D3 which means it can be used indoors where there is frequent short term exposure to water or moisture and frequent high humidity. And outdoors, in areas that are not over exposed to weather. This product is ideal for all general wood working, joinery and DIY jobs.

- Easy to squeeze bottle with cap.
- Solvent free.
- Interior & exterior use.
- D3 Water resistant - meets EN 204.
- Can be sanded by hand.

## PREMIER BRUSHES

### High Quality, Versatile Paint & Varnish Brushes

Carefully produced by hand to a very high standard, all products in our range of brushes feature the perfect combination of bristle and nylon fibres. Soft bristle helps absorb paint while the rigidity of nylon fibres aid quick, even paint application.

- Made and shaped by hand.
- Suitable for all types of paint & varnish.

### PLEASE NOTE

Lead times may vary on orders for some paste table products. Please check with your sales representative.

### CONDITIONS OF SALE

To buy direct from Temb  you need to be either a wholesaler, merchant or retailer. If you're a contractor, tradesman or consumer please contact us and we'll let you know the location of your nearest stockist.

By ordering direct with Temb  you are agreeing to our terms and conditions. All orders will be invoiced at the price ruling on the date of dispatch. The minimum carriage paid order is £75.

Claims in respect of damaged or pilfered goods will not be accepted unless advised to us in writing within 3 days of delivery. Non delivery of goods should be advised to us within 7 days of invoice date.

Returned goods will not be accepted without prior arrangement with our sales office. Settlement of account is net, 30th of the month following date of invoice. All goods remain the property of Temb  DIY & Building Products Ltd until paid for.
