

# PERMAVENTTRAY

## Underlay support tray

- ✓ Drains water into the gutter, keeping it away from the underlay.
- ✓ Prevents ponding behind the fascia and the underlay sagging between the rafters
- ✓ Easy to install, economical replacement for rotting eaves underlays
- ✓ Suitable for all roofs
- ✓ Ideal for when fascia boards are being replaced

Available:  
250mm x 1500mm  
Colour: Black
