A17 & A27-HW

USER FRIENDLY

Comes with an intuitive user interface, the A series allows a quick set up.

PROGRAMMABLE

3 On/Off periods per day for each zone. You can choose to boost for 1 hour and a holiday mode is available for when you are away.

SERVICE INTERVAL TIMER

Built in Service Interval Timer can be activated to remind users to get their heating system serviced.

CONTEMPORARY

Not only does it come with a sleek pure white casing which is versatile to suit all interiors, it also fits on to industry standard backplates.
