M1 SERIES

ABOUT M1 SERIES PANELS

Interior decorative wall and ceiling panelling system that is easy to fit and simple to maintain. Panels are suitable for all walls and ceilings in showers, bathrooms, kitchens, conservatories, extensions and utility rooms.

DECORATIVE AND STYLISH

The high gloss panels are available in a wide variety of designs and colours from classic marble through to shimmering diamond and rustic oak – something for everyone.

EASY TO FIT

Designed to be ultra easy to fit, the tongue and groove panels simply click together using a small bead of sanitary silicone, creating a smooth watertight finish.

- The perfect alternative to tiling
- Easy to fit system, no specialist training needed
- No drying time or grouting – get the job done in one day
- Fix over existing surfaces including tiles
- Range of trims to give a professional finish
- Easy to handle and transport
- Simple to fit tongue and groove panels

EASY TO MAINTAIN

The ultimate "fit and forget" home improvement product.

- 100% waterproof Honeycomb core
- No wood
- Hygienic, wipe-clean surface
- Mould free
- No grouting to discolour
- Excellent insulation and sound proofing

WHY M1 SERIES PANELS?

☑ **QUICK & EASY INSTALL**
much faster than traditional tiling

☑ **NO GROUTING**

☑ **WILL NOT BOW IN WET CONDITIONS**

☑ **EASY TO HANDLE & TRANSPORT**
due to honeycomb core

☑ **100% WATERPROOF PVC PANEL**
no wood used in manufacture

☑ **HYGIENIC WIPE CLEAN SURFACE**

☑ **MOULD FREE**

☑ **EXCELLENT INSULATION & SOUND PROOFING**

☑ **CLASS 1 FIRE RATED** (BS 476 Part 7)

☑ **STYLISH & PRACTICAL**

☑ **COST-EFFECTIVE**

☑ **TRANSFORM YOUR BATHROOM IN HOURS RATHER THAN DAYS**

M1 SERIES PVC SHOWER PANELS
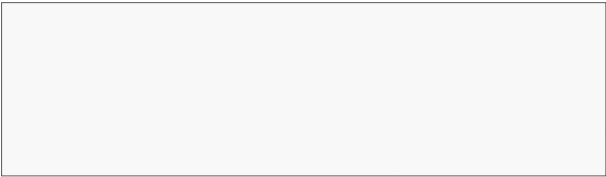

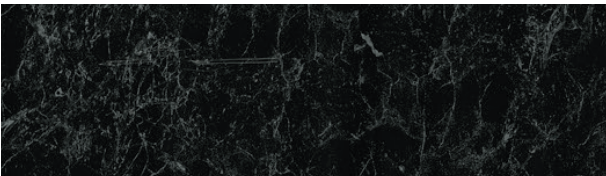

The clever alternative to tiling and perfect solution for an economical wall covering.

M1 Panels are quick to install, easy to keep clean and are suitable for domestic and commercial applications.

							3D	Beige Concrete

GENERAL NOTES

1. All images and samples shown in this brochure are a representation of the actual finish from a small part of a panel. Colour, pattern and scale may vary on the finished product supplied.

2. Batch colours may vary - please order enough materials for each complete job.

3. All orders must be checked upon delivery and signed for. The company will not accept claims for damages after 24h following delivery.

4. The Customer is responsible for colour matching the panels prior to installation. The Company will not replace or compensate for colour discrepancy after installation.
