

York Gold Gravel

Technical Data Sheet

PACK SIZE

Available in Maxipack and Bulk bags

DESCRIPTION

10mm single sized Flint based gold gravel

USES

Flower borders, ground cover, infill around ponds, plant pot topping and water features.

This product is suitable for fish ponds or aquariums.

We recommend that this product is re-washed in clean, fresh water prior to use.

Decorative aggregates are natural products and variations in size and colour may occur due to geographical and processing variables.
