

LOREAN UP AND DOWN WALL LIGHT

The Lorean Up and Down Wall Light is a contemporary lighting fixture designed to deliver dual-directional illumination.

Its sleek black aluminum construction and neutral white LED output make it an ideal choice for both residential and commercial environments.

BENEFITS

- Easy Installation: Compact size allows for straightforward mounting on most wall surfaces.
- IP65 rating ensures suitability for outdoor installations, resistant to dust and water ingress.
- Low power consumption with high-efficiency LED technology.

KEY FEATURES

- Minimalist black finish with a compact form factor that complements various architectural styles.
- Emits light both upwards and downwards, creating a striking visual effect on wall surfaces.
