

MISTRAL MIRRORS

The Maris mirror offers a refined, versatile lighting solution designed to suit a wide range of bathroom styles. Available in five distinct shapes – arch, pill, rectangle, round, and squircle – the Maris combines clean, contemporary lines with intelligent functionality.

The touch sensor gives effortless control over the mirror's lighting, with dimming functionality to set the ideal brightness and TrioTone technology to switch between cool, natural, or warm white tones. A memory function automatically retains your preferred settings, while a built-in defogger keeps the mirror clear and streak-free in steam-filled environments.

Designed for straightforward, secure installation via a French cleat fixing, the Maris is a dependable and adaptable choice for any bathroom.

BENEFITS
• LED technology for long life
• Customizable colour temperature
• Easy to use and install

KEY FEATURES
• Touch Sensor Switch
• Triotone lighting – cool, natural or warm white tones (3000K / 4500K / 6500K)
• Memory function – automatically saves brightness and colour settings after 5 seconds
• Integrated defogger – switches off automatically after 1 hour
• IP44 rated for safe use in bathroom environments.
• Dimmable lighting, adjusted via touch sensor
• French cleat fixing for secure, level installation

TECHNICAL SPECIFICATION	
Wattage	SE00690 - 21.5W
	SE00691 - 23.5W
	SE00692 - 25.5W
	SE00693 - 34W
	SE00694 - 30.5W
	SE00695 - 31.5W
Voltage	240V
Colour Temperature	3000-4500-6000K
Dimmable	Yes
Demister Pad	Yes
Operating Temperature	5°C to 45°c

RoHS CE UK CA
